

# NMBC Class Schedule: Fall 2024

**LEVEL PLACEMENT:** New students may take a free trial class for level placement guidance before deciding to enroll. Faculty assessment is required for placement especially in Levels 2 – 5. Please note: Every studio's level system is slightly different. Our levels for Creative Movement (ages 3-4) and Pre-Ballet (ages 5-6) are like grades in school – students must complete the entire year in the level in which they are placed and may not move up mid-year to the next level, regardless of birthdate. Students in Levels 1 – 5 can expect to spend 1 – 2+ years in each level. These levels are not like grades in school. Our faculty will reassess every student's placement at the end of the Spring semester and communicate recommendations for advancement.
